Dal campione Ottavio Bottecchia abbiamo ereditato la passione per la bicicletta e la volontà di fare sempre meglio, coniugando tecnologia e tradizione. Ogni nostro prodotto è curato in ogni dettaglio, uno ad uno, pensato e progettato per i professionisti più esigenti, ma anche per l'amatore più attento e meticoloso. Scegliamo i materiali e i partner migliori sul mercato per realizzare delle vere e proprie macchine a due ruote e da anni sviluppiamo con la stessa professionalità, prodotti per il corsa, il fuori strada, il trekking e e-bike.

Bottecchia è un partner commerciale affidabile: grande disponibilità di magazzino, ampia gamma di prodotti, assistenza e competenza a disposizione per ogni necessità. Tutto questo e molto altro è Bottecchia, tanti anni di storia e uno sguardo al futuro più lontano.

From the champion Ottavio Bottecchia we have acquired the passion for the bicycle and the desire to always do better, mixing technology and tradition. Each of our products is studied in every detail, one by one, designed to respond both to the most demanding professional cyclists, and the most and meticulous amateur. We choose the best materials and partners on the market to create real two wheels machines and for many years we have been developing with the same professionalism products for road, off-road, trekking and e-bikes with the same professionalism.

Bottecchia is a reliable business partner: great stock availability, wide range of products, assistance and expertise available for every need. This and much more is Bottecchia, many years of history and an eye focused to the future.

OTTAVIO BOTTECCIA

Ottavio Bottecchia (San Martino di Colle Umberto, 1 agosto 1894 - Gemona del Friuli 15 giugno 1927) è un mito del ciclismo internazionale, entrato nella storia per essere stato il primo atleta italiano a vincere il Tour de France nel 1924, indossando la maglia gialla dalla prima all'ultima tappa, e a replicare la vittoria l'anno successivo. La sua storia è entrata nella leggenda, strabiliando le folle e stravolgendo il mondo del ciclismo in soli tre anni. Vinse la gara più dura del mondo fuori dai confini della patria, diventando un mito anche oltralpe.

La storia incredibile di un instancabile lavoratore attaccato alla famiglia e alla terra, coraggioso eroe della Grande Guerra, che divenne uno dei più grandi campioni Italiani di tutti i tempi.

Ottavio Bottecchia (San Martino di Colle Umberto, 1st August 1894 - Gemona del Friuli 15th June 1927) is a myth of international cycling, who entered into history for being the first Italian athlete to win the Tour de France in 1924, wearing the yellow jersey from the first to the last stage, and to replicate the victory the following year. His history has become legend, astounding the crowd and shaking the world of cycling in just three years.

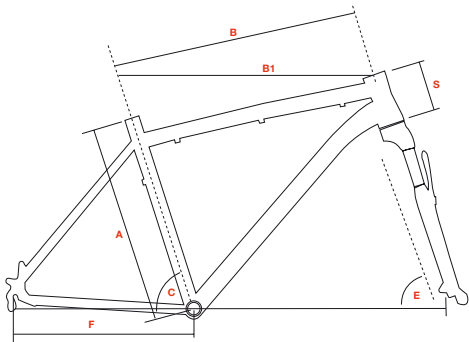

He won the toughest race of the world outside the borders of his homeland, becoming a myth also beyond the Alps.

The incredible story of a tireless worker devoted to family and land, brave hero of the Great War, who became one of the greatest Italian champions of all time.

351 8AVIO REVO TIAGRA 20s

8avio Revolution in versione sport. L'esperienza del Reparto Corse è stata trasferita al mondo sportivo, creando un mezzo dalle elevate prestazioni, abbinando soluzioni specifiche per renderlo adatto all'utilizzo di tutti gli sportivi del mondo strada, mantenendo fedeli la tradizione e lo stile delle bici corsa Bottecchia. L'innovativo sistema Multi Performance Brakes permette di assemblare il telaio sia con freni tradizionali caliper che con i nuovi freni a disco. Questa tecnologia insieme alla nuova forcella integrata, rendono 8AVIO REVO ultramoderno, esaltando al massimo design e tecnica.

8avio Revolution sport version. The Reparto Corse experience has been transferred to the sporting world, creating a high-performance bike, mixing specific solutions to make it suitable for all sportsmen of the road cycling world, keeping the same tradition and style of Bottecchia racing bikes. The innovative Multi Performance Brakes system allows to assemble the frame with both traditional caliper brakes and new disc brakes. This technology together with the new integrated fork make 8AVIO REVO ultramodern, enhancing design and technology.

GRAZIELLA®

ORIGINALE DAL 1964

La Graziella conquistò subito le personalità più significative degli anni '60. Brigitte Bardot, icona della sensualità femminile del tempo, fu protagonista di una campagna pubblicitaria che definì la Graziella "La Rolls Royce di Brigitte Bardot" ammiccando all'auto inglese per sottolinearne la robustezza e la cura estetica. Anche lo spirito anticonformista e surrealista di Salvador Dalí subì il fascino della Graziella, pratica ed elegante. Il celebre pittore, scultore, scrittore, cineasta e designer spagnolo venne ritratto mentre trasportava alcune sue opere a fianco della sua inseparabile Graziella.

Graziella immediately gained the most significant personalities of the 60's. Brigitte Bardot, icon of the female sensuality of those years, was the protagonist of an advertising campaign which entitled Graziella as "the Rolls Royce of Brigitte Bardot", winking at the English car to underline the resilience and the aesthetic care. Also the nonconformist and surrealist spirit of Salvador Dalí experienced the Graziella charm, practical and smart. The famous Spanish painter, sculptor, writer, filmmaker and designer was portrayed when he was carrying some of its works close to its inseparable Graziella.
